FIND screen - The countries of the **world** and their searchable databases.

Welcome

Here is a list identified by the Heredis team of online archive websites by country. With the capture tool, you may easily complete your genealogy and add your sources in a few clicks!

Argentina (1 archive)

Austria (2 archives)

Belgium (13 archives)

Canada (9 archives)

France (193 archives)

Germany (4 archives)

Italy (4 archives)

Malta (1 archive)

Netherlands (19 archives)

Norway (3 archives)

Other country (20 archives)

Poland (3 archives)

Portugal (21 archives)

Spain (8 archives)

Switzerland (29 archives)

United Kingdom (6 archives)

USA (14 archives)

[Suggest an archive](#)

FIND Screen of USA archives - the built-in searchable databases (14)

The screenshot displays the 'USA' section of the Archives.org website. It features a list of 14 searchable databases, each preceded by a letter (A, C, D, E, F, I, L, M, P, T, U). A red arrow points to the vertical bar (|) in the first entry, 'AMERICAN BATTLE MONUMENTS COMMISSION | ARCHIVES.ORG', indicating that this character separates the database name from its URL. The list includes:

- A AMERICAN BATTLE MONUMENTS COMMISSION | ARCHIVES.ORG
- C CENSUSRECORDS.COM
- D DELAWARE PUBLIC ARCHIVES
- E ELLIS ISLAND - THE STATUE OF LIBERTY
- F FAMILYSEARCH | FINDAGRAVE
- I ILLINOIS STATE ARCHIVES | INDIANA STATE DIGITAL ARCHIVES
- L LOUISIANE
- M MARYLAND STATE ARCHIVES
- P PA STATE ARCHIVES
- T THE NATIONAL ARCHIVES - ARCHIVES.GOV
- U USGENWEB ARCHIVES

At the bottom of the page, there are three buttons: 'Suggest an archive', 'List of countries', and a search bar with the placeholder text 'Enter your search' and a 'Search' button.

The “ | ” character in this line separates two different web sites containing searchable databases.

Therefore there are 14 different databases on this page.

Note: Some sites like CENSUSRECORDS.com may require a paid subscription to gain access to the data.

Documenting your Pictures

In each media file it is possible to select an individual, and associate it with a person's record in the database.

Based on the year that you indicate for the picture, each person's age is calculated.

Additionally, the little avatar picture on the left is placed in the media content for that individual automatically.

The screenshot displays a software window titled "1917abt CharlesW Sarah (Reedy) WalterW Viola (Firchow) Chester Wildman.jpg". The window is divided into several sections:

- Left Panel (Media List):** A vertical list of five small portrait photos, each with a numbered label (1-5) and a text entry showing the person's name and age. The entries are:
 - 1 WILDMAN Charles William (1858-1949) 58 years old
 - 2 REEDY Sarah Elizabeth (1867-1933) 49 years old
 - 3 WILDMAN Walter Willis (1896-1962) 30 years old
 - 4 WILDMAN Chester Earl (1913-1991) 3 years old
 - 5 FIRCHOW Viola Ollietta (1888-1971) 28 years old
- Main Image Area:** A large, sepia-toned photograph of a family of five standing outdoors next to a vintage car. The photo is framed by a decorative border. The individuals are labeled with numbers 1 through 5, corresponding to the list on the left.
- Bottom Form:** A section for adding a note. It includes a "Date" field with the value "about 1917", a "Private media" checkbox, and a "Note" field containing the text: "Charles William Wildman, Sarah (Reedy) Wildman, Walter Wildman, Chester Wildman, Viola (Firchow) Wildman on the Ohio Farm."
- Bottom Bar:** A status bar showing "91 %" and a "Close" button.

Charts and Graphs - an example.
